

**Monday, December 4**

**Featured Speaker**

**Rebecca Doran**

Rebecca (Becky) Doran is School Nurse Consultant is an advocate for implementing Whole School, Whole Child, and Whole Community (WSCC) model strategies for the youth in Illinois Schools. She joined Illinois State Board of Education, Center for Safe & Healthy Climate following experiences in Higher Education, Community Health and Emergency/Urgent Care settings. She brings to the agency a comprehensive understanding of Healthcare Administration and Organizational Culture with a desire to incorporate this knowledge into wellness initiatives for the students and educators of Illinois.
